

Plan for India!

Ajay Vishwanathan, Pranav Rao.
IIT Kharagpur.

**How do you communicate
with the people of India
that 5 year plans are
important?**

The beauty of complexity!

- 1+ billion people.
- Diversity in culture and traditions -> different goals.
- Numbers, numbers and numbers.

=> This is how we'll inspire people to talk, discuss and educate themselves of the 12th five year plan.
